C.A. No. 1:25-cv-01363-DLB

DECLARATION OF ALTA PORTERFIELD

1. Pursuant to 28 U.S.C. § 1746, I, Alta Porterfield, hereby declare as follows:
2. I am a resident of Delaware. I am over the age of 18 and have personal knowledge of all the facts stated herein, including as based on my experience and information provided to me. If called as a witness, I could and would testify competently to the matters set forth below.
3. In 2015, I became the Delaware Libraries AmeriCorps authorized representative for the Delaware Department of State, Division of Libraries.

AmeriCorps Support for Volunteer Programs in the Delaware Department of State, Division of Libraries.

4. The Delaware Division of Libraries (DDL) is committed to evolving libraries to meet the diverse needs of our communities. Our eight full-time AmeriCorps VISTAs and a part-time supervisor play a crucial role in this mission by bringing innovative solutions, strategic partnerships, and dedicated volunteers to enhance library services across the state.
5. The AmeriCorps VISTAs receive extensive onboarding with AmeriCorps and Delaware Libraries, and are selected because of their passion and subject matter expertise. Their qualifications include MBA, MS in Applied Urban Science and Informatics, Master of Public Policy (MPP), Master of Education (MEd), and health care compliance master certificates from institutions such as George Washington, Carnegie Mellon, UC Berkeley, NYU, University of Virginia, Southern Methodist University, and more.
6. AmeriCorps VISTAs are instrumental in developing and strengthening programming through grants, partnerships, and volunteer coordination:
 - Literacy Initiatives: Coordinating and developing literacy services across the lifespan with the Delaware Literacy Alliance to address Delaware's low literacy rates.

- Health Programs: Supporting health programming, telehealth services, and resource fairs, ensuring access to essential health services.
- Digital Literacy and Emerging Technologies: Working on various grants to staff libraries with digital navigators to provide comprehensive computer programming, helping Delawareans upskill and meet their immediate needs for social services and employment applications.

Impacts of Efforts to Dismantle AmeriCorps

7. We have VISTAs who work with data collection and reports. They are also developing data tool systems to work on the Institutional Review Board (IRB) for the Federal Digital Capacity Grant awarded to Delaware Libraries (\$1.9 million) from our state's DTI office, which is in the final stages of being finalized for payment. This award is a game changer for communities, as the money is strictly for digital navigators to help teach computer classes and assist patrons with their digital needs. VISTAs work on long-term projects and need time to hand off their roles to other individuals without jeopardizing the grants. We have seven grants that the VISTAs are currently working on.

8. We have always had a particularly good relationship with all the regional and national AmeriCorps staff until they were put on administrative leave and not allowed to communicate.

9. The Delaware Division of Libraries relies on AmeriCorps staff to ensure we are given all the information, training and resources to be successful.

10. Since April 17th, Michele Scotti, our Portfolio Manager, Mid-Atlantic Region for AmeriCorps has not been in communication with us.

11. Our office is especially concerned about the drastic dismantling of AmeriCorps staff and funding, due to the critical timeline for AmeriCorps grants in the next two months.

12. Delaware Dept. of State- Delaware Libraries' continuation award was awarded on February 18, 2025 Project Start and End Dates: 03/26/2025 ~ 03/25/2026. See Exhibit 1. Our original submission on February 12 was revised immediately to comply with the Executive orders which included reassigning a VISTA to another focus area. We then received a Memorandum of Agreement that our cycle would run 4/4/25-4/4/26. See Exhibit 2.

13. Our program was able to accept a VISTA transfer from MD since her project was not continuing. This transfer was made after our new project year had started. She has, however, since been administrative leave along with other VISTA members.

14. The AmeriCorps State and National grant alone involves thousands of sub-applications designed by different non-profit organizations and packaged into the various state applications or submitted directly to the national office. AmeriCorps needs to review and score each sub-application while also performing financial and legal checks on the host organizations. Throughout this process, AmeriCorps staff work interactively with states and direct applicants to clarify issues and resolve application problems. I cannot imagine how this process can be completed accurately or on time after the elimination of 85% of the experienced staff assigned to the task.

15. Delaware Department of State for the Division of Libraries (the "Delaware AmeriCorps Libraries Grant") has been working with CNCS and AmeriCorps for over ten years with our grant awards cycle begin and end in March without a match for formula except for the coordinator position.

16. On Friday, April 25th, 2025, I received an e-mail at 6:14pm from Jennifer Bastress Tahmasebi, AmeriCorps's Interim Agency Head. These terminations included the AmeriCorps grant to the Delaware Division of State for the Department of Libraries (the "Delaware AmeriCorps Libraries Grant"). We have been told to ensure that the closeout procedures are completed within 120 days. Exhibit 3.

17. In other words, as I understand it, as of Friday, April 25th, AmeriCorps will no longer pay any costs incurred relating to the actual services for which we were awarded approved grants. The notice states that we are allowed no exceptions or appeals.

18. On May 2, I received another email from AmeriCorps Vista, which is attached as Exhibit 4, indicated that as of April 28, 2025, all VISTA members serving under our VISTA grant had been placed under Administrative Hold status with pay.

19. The abrupt dismantling of AmeriCorps VISTA services has profound implications for Delaware's libraries and communities. Our VISTAs, who are instrumental in data collection, report development, and the creation of data tool systems for the Institutional Review Board (IRB) for the Federal Digital Capacity Grant, are facing significant disruptions. This \$1.9 million grant from our state's DTI office, in its final stages of payment, is a game changer for communities, strictly funding digital navigators to teach computer classes and assist patrons with their digital needs. VISTAs work on long-term projects and need time to hand off their roles to other individuals without jeopardizing the grants. The members had been working on seven grants.

20. AmeriCorps VISTA opportunities attract individuals passionate about making a tangible difference in communities. For instance, four of our eight AmeriCorps VISTAs relocated from various states (CA, CO, TX and NY) to serve at the Delaware Dept. of State- Delaware Division of Libraries, motivated by the opportunity to contribute meaningfully to community

development and public service. However, with their service abruptly ended and placed on administrative leave, these individuals face the dilemma of whether to return to their home states and break their leases, resulting in losing security deposits and incurring substantial fees, including several months of rent for apartments they are leaving behind. This is currently happening to one of our VISTAs. See Exhibit 5. This situation underscores the dedication and sacrifices made by AmeriCorps VISTAs in their commitment to service, highlighting the financial and personal challenges they are now enduring.

21. In addition to Delaware Libraries, other DE Literacy Alliance partners, including Literacy Delaware and Reading Assist, also lost their AmeriCorps members, resulting in the loss of literacy services throughout the state. The disruption of AmeriCorps VISTA services jeopardizes critical literacy, health, and digital literacy programs, undermining the progress made in addressing low literacy rates, providing essential health services, and enhancing digital skills. The Federal Digital Capacity Grant, a transformative opportunity for Delaware Libraries, is at risk, potentially depriving communities of vital digital navigation support. The collective impact of these changes underscores the urgent need to reinstate and support AmeriCorps VISTA programs to ensure the continued growth and development of Delaware's libraries and the communities they serve.

22. **Burdens on the Division or State based on the termination:** VISTA members were working on seven grants and multiple projects. The VISTAs received a notice on Monday, April 28, 2025, at 6:08pm that they were on administrative leave. Under the conditions caused by the staff reductions at AmeriCorps, lack of communication with AmeriCorps, and the termination of the AmeriCorps programs and grants, it will not be possible to determine which Division of Libraries programs that AmeriCorps members previously supported we are able to continue to provide. The VISTA members are very worried about even communicating with us. I have attached this email as Exhibit 6.

Therefore, effective April 28, 2025, you have been removed from the DELAWARE DEPARTMENT OF STATE AmeriCorps vista project and placed in Administrative Hold (AH) status for a period up to 30 days. While you are in AH, you will continue to receive your regular living allowances, but you are not to report back to your AmeriCorps VISTA project or participate in any project-related activities. All provisions of the *AmeriCorps VISTA Member Handbook* regarding your activities and conduct remain in effect through this period.

I declare under penalty of perjury under the laws of the United States that, to the best of my knowledge, the foregoing is true and correct.

Re: 1703802_Your Removal from the AmeriCorps VISTA project sponsored by DELAWARE DEPARTMENT OF STATE_Placement in Administrative Hold_Opportunity to Seek a Reassignment Transfer

Dear W [REDACTED] S [REDACTED]:

The AmeriCorps VISTA project to which you have been assigned has been terminated.

Therefore, effective April 28, 2025, you have been removed from the DELAWARE DEPARTMENT OF STATE AmeriCorps VISTA project and placed in Administrative Hold (AH) status for a period up to 30 days. While you are in AH, you will continue to receive your regular living allowances, but you are not to report back to your AmeriCorps VISTA project or participate in any project-related activities. All provisions of the *AmeriCorps VISTA Member Handbook* regarding your activities and conduct remain in effect through this period.

After a careful review of the circumstances of the situation, it has been determined to offer you the opportunity to seek a reassignment/transfer with another VISTA project sponsor to complete your service term. If you are interested in continuing your AmeriCorps VISTA service on a different project, you have until May 19, 2025 to locate and secure another assignment. To that end, I refer you to the online My AmeriCorps portal for listings of VISTA positions located at [My AmeriCorps Listing Search](#). When searching for a reassignment/transfer to another AmeriCorps VISTA project

you do NOT apply to a service opportunity listing. You do communicate directly with the contact person for each service opportunity listing for which you are interested in securing possible reassignment to determine if the vacancy is still open and, if so, to inquire about the possibility of an interview.

You should let potential projects know that you are seeking a transfer to complete your current service term which ends on 10/20/2025. You can save your application in the My AmeriCorps system as a PDF (refer to the bulleted steps below) to send via email via the contact information on the listing.

- Use Chrome to login to your My AmeriCorps account and open your application in print view, through your Applicant Home link.
- Click the three-dot icon in the top right corner and choose *Print...* in the drop-down menu.
- In the resulting pop-up window, click the down arrow to the right of *Destination* and select *Save As PDF* in the drop-down menu.
 - Click the *Save* button and select a destination on your PC.
 - Click a second *Save* button to complete.

Please remember that before AmeriCorps can approve a transfer to another project, the new project supervisor must speak with you, they must also submit to their AmeriCorps Regional Office, with a copy to VISTACase@americorps.gov, a written request for your transfer.

If you are unable to secure a suitable reassignment May 19, 2025, your AmeriCorps VISTA service will be terminated on or after May 20, 2025.

Please do not hesitate to contact me at VISTACase@americorps.gov if you have any questions.

Sincerely,

AmeriCorps VISTA
